PROFESSIONAL EXPERIENCE

Results-driven Mid-Level Graphic Designer with 3+ years of experience creating strategic visual solutions that strengthen brands and drive business growth. Specialized in Brand Identity, UI/UX Design, Social Media, Company Profiles, and Marketing Campaigns across the Egyptian and Saudi markets. Experienced in mentoring and training 40+ designers, leading creative workflows, and delivering consistent, high-quality branding. Passionate about creating designs that sell, communicate, and deliver measurable value.

EXPERIENCE

Graphic Designer • NASA Space Apps 6th October

August 2026 – Present

- Designed visual assets and graphic elements, maintaining a cohesive visual identity and consistent design direction across the project.
- Enhanced design quality through creative contributions, refined visual concepts, and collaboration with team members to ensure consistency across deliverables.

Graphic Designer • Reviva Agency

September 2026 – October 2026

- Developed creative visual concepts and designs for client campaigns, shaping visual direction and maintaining brand consistency.

Graphic Designer • IT.RenadMadi Agency, Saudi Arabia

May 2026 – September 2026

- Developed high-performing social media campaigns that strengthened brand presence, increased audience engagement, and supported business growth across the Saudi market.
- Created strategic branding assets, company profiles, and marketing materials that helped businesses establish a strong market presence and achieve their marketing objectives.

UI/UX Trainee • Digital Egypt Pioneers Initiative

December 2025 – July 2026

- Learned and applied UI/UX principles through hands-on exercises, wireframing, prototyping, and usability testing in a structured training program.
- Collaborated with peers and mentors on design projects, producing user-centered digital solutions while applying continuous feedback to strengthen design thinking and interaction skills.

Graphic Designer • Drex (Clothing Brand)

June 2025 – September 2025

- Designed promotional social media visuals that boosted online engagement and enhanced overall brand visibility.
- Created social media campaigns and visuals that contributed to a 15% increase in online sales during the promotional period.

Director of Graphic Design • Computex

December 2024 – March 2025

- Developed and trained 40+ designers and team members through structured design guidance, practical demonstrations, and continuous creative feedback.
- Managed and directed the company's graphic design output, delivering high-volume social media and marketing assets while maintaining consistent brand identity across all platforms.

Graphic Design Organizer • Growth Gate

May 2024 – August 2024

- Developed and designed social media and event graphics, ensuring all visuals aligned with the event's branding and sponsor requirements.
- Organized and collaborated with teams and stakeholders to deliver high-quality promotional content, enhancing event visibility and audience engagement.
